- irritation, sensitization, or allergic reaction occurs. These may be signs of a serious condition

If pregnant or breast-feeding

Keep out of reach of children

If swallowed, get medical help or contact a Poison Control Center right away.

Directions

- Wet hands and forearms to the elbows
- Clean under nails with pick provided.
- Wet sponge and squeeze to work up lather
- Scrub thoroughly for 3 minutes. Use the brush side to clean the nails, cuticles, and interdigital spaces between the fingers and the sponge side to scrub the hands and forearms
- Rinse thoroughly
- Scrub for an additional 3 minutes using the sponge side only. Wet sponge and squeeze to produce additional lather
- Rinse thoroughly and dry with a sterile towel

Other information

- Store at 20-25°C (68-77°F)
- Avoid freezing and excessive heat above 40°C (above 104°F)

Inactive ingredients

cocamide DEA, fragrance POFL 147, glucono-delta-lactone, hydroxyethylcellulose, isopropyl alcohol, lauramine oxide, PEG-75 lanolin, purified water, tridecyl alcohol
